PROFESSIONAL SUMMARY

UI/UX Designer with 5+ years of experience designing intuitive digital products and user experiences across web and mobile platforms. Transitioned from a graphic design background, bringing a strong foundation in visual communication, branding, typography, and design systems to product design. Master's in Design from NIFT with expertise in user research, information architecture, wireframing, prototyping, interaction design, usability testing, and accessibility. Passionate about solving complex user problems through human-centered design and collaborating with cross-functional teams to deliver impactful product experiences.

TECHNICAL SKILLS
